1 INTERPRETATION:

1.1 In this Agreement the following terms shall have the following meanings:

"Business Sale Agreement" means the agreement between the Assignor, the Assignee executed on the same day as this Agreement, pursuant to which the Assignee agreed to grant the Assignor shares in the Assignee.

"IPR" means all patents, trade marks, services marks, trade names, logos, registered designs, applications for any of the foregoing, copyright (including all rights in the nature of copyright throughout the world, in any and all media, and including renewals, revivals and extensions thereof), design rights, database rights, rights of extraction and re-utilisation, sui generis rights, know-how, inventions, discoveries and trade secrets, together with all goodwill attaching or relating thereto, and any rights in the nature of moral rights existing therein, and whether such rights are registered or unregistered, and all rights of a similar or corresponding nature in any part of the world.

"Inventions" means the inventions detailed in the Schedule hereto, together with all IPR therein.

1.2 Headings are inserted for convenience only and do not affect the construction of this Assignment.

1.3 Unless the context otherwise requires, words importing the singular include the plural and vice versa, words importing the masculine include the feminine, and words importing persons include corporations.

- 1.4 Reference in this Assignment to writing or similar expressions includes where the context so admits transmission by facsimile or comparable means of communication.
- 1.5 Unless the contrary is clearly stated, references to Acts, statutory instruments and other legislation are to legislation operative in Ireland and to such legislation amended, extended or re-enacted (whether before or after the date hereof) from time to time, and include any legislation of which it is a re-enactment (whether with or without modification) and also include any subordinate legislation made from time to time under that legislation.
- 1.6 Reference to any document includes that document as amended or supplemented from time to time.
- 1.7 All indemnities, covenants, agreements and obligations given or entered into by more than one person are given or entered into jointly and severally.

2 **ASSIGNMENT:**

In consideration of the issue of shares in the Assignee to the Assignor pursuant to the Business Sale Agreement (receipt of and sufficiency of which the Assignor hereby acknowledges) the Assignor **HEREBY GRANTS, ASSIGNS AND TRANSFERS** absolutely and exclusively to the Assignee, all of his rights, title and interest in and to the Inventions together with all rights and powers rising or accrued therefrom including such rights to sue for damages and other remedies in respect of any infringement of the rights assigned by this Assignment, and including all his rights to apply for, prosecute and obtain a patent or like protection throughout the world for the Inventions embodied by any such application including the rights to claim priority from such applications.

3 **FURTHER ACTS AND ASSURANCES:**

- 3.1 The Assignor shall, at the request and expense of the Assignee, do all acts and execute all documents, instruments, matters, acts and things which may be necessary or desirable to confirm the title of the Assignee to the Inventions hereby assigned or to give effect thereto, whether in connection with any registration of such title or otherwise, and to effect fully the purposes, terms and conditions of this Assignment.
- 3.2 The Assignor hereby irrevocably appoints each director for the time being of the Assignee to be his attorney with full power and authority in his name and on his behalf to do all acts and execute all documents and instruments which may be necessary or desirable to confirm the title of the Assignee to the Inventions hereby assigned or to give effect thereto whether in connection with any registration of such title or otherwise and fully to give effect to the purposes, terms and condition of this Assignment.

4 **GENERAL**

- 4.1 This Assignment will be governed by and construed in accordance with the laws of Ireland, and the Irish courts will have exclusive jurisdiction in respect of it.
